# CELEBRATING THEIR ACHIEVEMENTS

- The Shiv Nadar Foundation embarked on a \$10 million dollar capital campaign, raising funds to support the academic pursuits of their graduates as they begin studies at universities across the United States.
- Christ the King Prep school in Newark, New Jersey developed a STEM program to improve their educational programs and be more competitive for private foundation funding.
- For the first time in their 103-year history, the Fellowship of Reconciliation utilized a moves management process in their year-end appeal, resulting in a 20% increase over the previous years' giving.
- Trinity Place, a shelter for LGBTQ youth, a ministry of Trinity Lutheran Church of Manhattan, secured \$25,000 in funding from Gilead Sciences.
- LAPA solicited \$145,000 from a major donor, providing general operating support for six clients.
- Riverside Park Conservancy utilized a unique year-end giving approach, resulting in a \$50,000 contribution from a new family foundation funder.
- LAPA analyzed giving to Catholic dioceses across the country and advised a major Archdiocese on how to grow their fundraising, securing a \$25,000 gift from a new funder.
- The Moreau Emergency Squad conducted a complex fiscal analysis which allowed them to make a case for an increase in funding from their local town board.
- InterSchool Orchestra implemented a full-scale private foundation initiative, conducted a wealth screen of their donor database, and sought counsel regarding major donor work.
